Kindergarten Readiness**

BDCP Transitional Kindergarten program focuses on social-emotional development, physical and motor development, as well as the academic skills needed to prepare your child for Kindergarten. Participating students will attend the TK program for one year and then complete Kindergarten the following year.

Some Concepts we cover in Transitional Kindergarten

In TK I will...

Social Emotional

- ...develop friendships
- ...learn to express emotions and needs to friends and teachers
- ...speak confidently in full sentences
- ...practice back and forth conversation

Physical

- ...cut, write, draw and use varied manipulatives to develop hand coordination and pencil grasp
- ...build core strength through active gross motor play
- ...take responsibility caring for my personal items and materials

Academic

- ...practice letter shapes and sounds
- ...practice math concepts such as symbol recognition, counting, sorting, patterning, estimating and classifying
- ...practice storytelling via dictation and visual representation
